REFERENCE

Mustek has been a Labournet client for over 10 years now. In this time Mustek has used Labournet for many and varied labour related matters and I wish to state that Mustek is very satisfied with the competence and level of service it has received.

Labournet has always been able to offer Mustek a diverse range of services that results in Mustek not needing to seek labour related consulting anywhere else.

Yours sincerely,
Michael Cameron
(H.R. Manager)
