Telephone (011) 579-0000

Telefax (011) 608-0510

VAT No: 4050196221

30th October 2009

I have been involved with the Skills and Equity department of Labournet for almost a year now and never once did I ever think of changing service providers. The Consultants are extremely knowledgeable about the S&E, they are professionals in their dealings and always willing and ready to provide assistance in everyway possible. I can confidently see a valuable and long standing working relationship with the department.

Will I recommend Labournet to other parties???... Absolutely without hesitation!

Permark Supply Network
