

Primedia Face 2 Face has been dealing with LabourNet since the year 2006. LabourNet has provided services to us, which include:

- Disciplinary hearings
- Poor work performance counselling investigations
- Drafting of policies and procedures
- Drafting of notices to attends
- Reviewing contracts of employment
- Drafting memo's to staff members
- Any general advice regarding employment law
- Advising on Union related matters

In the years that we have dealt with LabourNet and more specifically LabourNet West Rand, we have experienced the consultants to be professional when interacting with our management team as well as our staff members. We find that our emails and calls are responded to within 24 hours of the request and the documentation received is of a high quality. We have built relationships with LabourNet West Rand consultants where we trust and value their advice. We value their contribution and trust that we will enjoy their services for many years to come.
