RE: QUALITY OF SERVICE – Mpho Lesabe

I confirm that I have dealt with Mpho Lesabe, during which time he has provided my business with excellent service in the areas of Industrial Relations consulting e.g. drafting contracts, conducting disciplinary hearings, advise, preparing for CCMA conciliation hearings to name a few. His work has been of a high standard and he is always willing to assist.

I can confidently recommend Mpho Lesabe as a person who is always ready to go out of his way and is an expert in their field.

Yours faithfully
